

Minutes of the March 9, 2005 New Jersey Computer Club General Meeting

The regular second Wednesday monthly General Meeting of the New Jersey Computer Club was held at the North Branch Reformed Church starting at 7:15 PM. There were 30 members and guests in attendance.

The “Random Access” portion of the meeting included a presentation on the “search” function in the Windows XP operating system by John Beck.

John Beck then discussed the upcoming NJCC meeting presentations. Details will be available on our NJCC website.

Fred Sabin gave a short demo of “Pixifun” (<http://www.pixifun.com>), five kits for converting digital photos into keepsake items (photo key ring, sticker album, magnets, badges, and CD/DVD labels). The demo included a PowerPoint presentation CD, product brochure handouts, and a sample key ring kit.

Fred Sabin, NJCC President, then did an excellent presentation on “Computer Essentials” with basic information on the following computer topics:

- Computer Security
- Computer Maintenance
- Computer Troubleshooting

A PDF file of Fred’s PowerPoint slide presentation is available by [clicking here](#).

The meeting adjourned at 9:05 PM.

Respectfully Submitted,

Fred Sabin
President
