

Minutes of the September 14, 2005 New Jersey Computer Club General Meeting

The regular second Wednesday of the month General Meeting of the New Jersey Computer Club was held at the North Branch Reformed Church. There were approximately 30 members and guests in attendance.

The "Random Access" portion of the meeting was conducted by John Beck. The audience had numerous queries on computer problems.

Fred Sabin, NJCC President, conducted the business portion of the meeting. The minutes and treasury report, posted on the NJCC Web site, were approved.

Fred reviewed upcoming programs. Gene Barlow (Mr. Hard Drive) at www.ugr.com is coming next month to demo some products. Tom Kirk from Creative will be with us in November to show their latest sound hardware. At December's Holiday Party a representative of Smart Computing magazine will be featured. Members are also encouraged to bring food treats and small items for the Chinese auction. Fred will discuss useful Websites at our January meeting.

Fred Sabin, for this month, gave an extensive presentation on Computer Troubleshooting using Power Point slides and material he is working on for an upcoming book.

Respectfully submitted,

Tom Kehoe
Secretary
