

NEW JERSEY COMPUTER CLUB
MEETING MINUTES
FEBRUARY 8, 2006

President Fred Sabin called the meeting to order at 7:25 P.M with thirty-two attendees.

Fred spoke briefly on the following topics:

- OneCare Live is Microsoft's anti-virus/security software -- \$49.95 for an annual subscription
- MS anti-spyware is available free for download
- Everyone should have only one anti-virus program running on their PC at one time
- You can have as many spy sweeper programs as you want, but only one should be loading at bootup
- The Community Visiting Nurse Association donated \$500 to the scholarship fund because Fred did a free seminar for them
- I Sold It On EBay! Will be presenting at the March 2006 meeting

Fred Sabin gave a presentation on Computer Maintenance. A detailed handout was given out before the presentation. Topics included creating a system restore checkpoint, running disk cleanup, hard drive defragmentation, running a system file check, modifying/updating the registry, running msconfig, major repair options and many others.

Fred adjourned the meeting at 9:16 PM.

Respectfully submitted,

Joe Schrettner
NJCC Secretary
