

## **Minutes of the June 11, 2008 New Jersey Computer Club General Membership Meeting**

The meeting was held at the North Branch Reformed Church with 19 members and 1 guest present. The guest joined the NJCC at the meeting.

The Random Access Q&A session started at 6:50PM. Several questions were raised and solutions were found.

George Daniel summarized his attendance at the APCUG Regional Meeting in May and handed out articles of interest he picked at the meeting.

At 7:15 PM the business meeting was called to order. A motion was made, seconded and approved for the approval of the recent Minutes and Treasurer's Reports as posted on our NJCC website.

Doug Beck, NJCC Webmaster, then began building an eBay advertisement as we watched. He showed many of the numerous options offered by eBay. He also indicated his preferences on which to use and why to use them.

The September 10th NJCC meeting will be lead by Fred Sabin, President of the NJCC doing presentation including the Remote Desktop functionality of the Microsoft XP Operating System.

The meeting was adjourned at 9:20 PM.

Respectfully submitted,

John Beck  
NJCC Vice-President
